Shivank Shukla

Data Analyst | Business Intelligence | Market Research

Delhi, India | +91-9013584218 | work.shuklashivank@gmail.com | linkedin.com/in/shivank-shukla09 | github.com/shukla009

PROFESSIONAL SUMMARY

Data Analyst who turns messy inputs, such as client assessments and business records, **into decisions** leaders can act on. Background in **dashboards, forecasting, and healthcare analytics**, now doing **market research and competitive analysis** for export-focused manufacturers. **Tools: SQL, Python, Excel, Power BI, Tableau**.

SKILLS

- **Programming and Tools:** Python, SQL, MySQL, Oracle, Streamlit, Git, Jupyter Notebook, Google Sheets
- **Data Analytics:** Pandas, NumPy, Exploratory Data Analysis (EDA), Data Cleaning, ETL, Statistical Analysis, Root Cause Analysis, Gap Analysis, Data Validation, Data Quality, Data Governance
- **Business Intelligence:** Power BI, Tableau, Excel, Power Query, DAX, Pivot Tables, XLOOKUP, VLOOKUP, KPI Development, Dashboarding, Data Visualization
- **Machine Learning:** Scikit-learn, TensorFlow, Keras, LSTM, ARIMA, Prophet, Forecasting, Predictive Analytics
- **Research and Strategy:** Market Research, Competitive Intelligence, Business Analysis, Process Analysis

WORK EXPERIENCE

Lead Research and Strategy Associate **Jan 2026 - Present**

ProSca Business Solutions, Delhi, India | Promoted from Research and Insights Intern

- Researched target markets, competitors, and regulatory requirements across **5+ industry verticals**, giving founders and clients the evidence to choose export markets.
- Wrote **12+ strategic intelligence reports** on market entry, business prioritization, and sector opportunities.
- Built **sector-specific export-readiness frameworks with scoring logic** for manufacturers in pharmaceuticals, agriculture, cosmetics, and other industries, so readiness could be rated consistently.
- Ran **gap analysis** on client assessments to catch inconsistencies, compliance gaps, and operational risks, and turned the findings into diagnostic reports with clear recommendations.
- Mapped end-to-end workflows of manufacturing facilities to identify customized digitalization opportunities through ProSca QMS, and cut research and assessment turnaround by **20%** with standardized, **AI-assisted workflows**.

Data Analytics Intern **Jun 2025 - Sep 2025**

UptoSkills, Remote

- Built an automated, AI-assisted workflow for **1,000+ institutions**, improving data acquisition efficiency by **40%**.
- Cleaned and standardized datasets across **15+ variables**, improving downstream analytics reliability by **30%**.
- Created **Tableau dashboards** showing institutional trends by zone, region, and student strength.

Data Analytics Intern **Jun 2024 - Aug 2024**

IBM, Remote

- Analyzed **10,000+ mental health records** across **30 Karnataka districts** to find prevalence and treatment gaps.
- Built interactive **Python and Tableau** dashboards showing regional health outcomes, referral needs, and care access barriers for Common Mental Disorders, supporting public-health recommendations aligned with UN SDG 3.

Data Analytics and Power BI Intern **Jun 2024 - Jul 2024**

Vodafone Idea Foundation, Remote

- Built KPI dashboards in **Excel, Power BI, and DAX** covering Blinkit sales, inventory, and regional performance.
- Traced regional sales inefficiencies and stock imbalances via **root cause analysis**, recommending inventory optimization.

PROJECTS

Stock Price Prediction using LSTM and Time Series Analysis Python, TensorFlow, Keras, Prophet, Streamlit

- Built an LSTM forecasting model achieving **1.9%** MAPE on Microsoft stock prices and evaluated **5** forecasting approaches using RMSE and MAPE.
- Compared **LSTM, Prophet, ARIMA, SMA, and EMA** models and deployed the selected approach through a **Streamlit** application.

EDUCATION

Bachelor of Science (B.Sc.) in Data Analytics **Jul 2023 - Jun 2026**

Delhi Skill and Entrepreneurship University (DSEU), Delhi, India

Bachelor of Computer Applications (BCA) **Jul 2021 - Jul 2024**

Indira Gandhi National Open University (IGNOU), India

CERTIFICATIONS

- Data Analytics Essentials, Cisco (2024)
- Power BI for Data Analysis, Vodafone Idea Foundation (2024)
- Project Management Fundamentals, IBM SkillsBuild (2024)
- Data Fundamentals, IBM SkillsBuild (2024)
